

BETADINE[®] MICROBICIDES

The Brand Trusted Around the World

Betadine[®] Spray

Betadine[®] Solution 5% in a pump spray.

For preparation of the skin prior to surgery.

Helps reduce bacteria that potentially can cause skin infection.

Delivers a microbicidal mist for treating wounds too tender to touch.

Saves time and is indicated whenever effective microbicidal degerming can be applied more conveniently with a spray.
